# A golf day not to be missed!

## *Your Community Newspapers and Eye of Africa join hands to give less privileged children a jump start*

CAXTON South and the premier Eye of Africa Golf & Residential Estate have joined forces, to not only bring you one of the most spectacular golf days hosted in our area this year, but also to give back to our community in terms of supporting a deserving beneficiary.

Wednesday October 26, has been set aside as the day on which Eye of Africa Golf & Leisure Club will open its Greg Norman designed golf course to golfers participating in this Charity Golf Day; of which funds raised will be donated to The Mossie Primary School in Forest Hill.

Says Carina van der Walt, editor of Caxton South community papers: "This school currently feeds 60

orphans on a daily basis and the school's kitchen is almost non-existent. Caxton South has already donated a fridge since perishable food items donated to the school could not be stored. The stove is also not working and everything else in the kitchen has been donated or borrowed from people. The school would like to upgrade the kitchen to a fully functional kitchen enabling them to provide the daily needs of the 60 orphans they feed.

Companies are invited to sponsor holes, ranging between R2 000 to R3 000. In return for your sponsorship, you can display marketing material on the golf day on the sponsored hole, as well as qualify for a free 5 x 2 column full

colour advert on the Charity Golf day page (see page 9 in this issue). This full page will run every second week in both Alberton RECORD and Comaro CHRONICLE up until October 26.

Entry fee for a four-ball is R2 000, and includes your green fees, golf cart, halfway house, goodie bag and prize-giving dinner. Format for the competition will be Betterball Stableford and is an afternoon field.

We are also in need of sponsorship of prizes and all sponsors will receive a mention in both these newspapers and at the prize-giving function. To book a hole sponsorship or a four-ball entry, kindly contact Marietjie on 082 337 5713.

**Chris Halstead, branch manager of Caxton South and Mark McGovern, project director at Eye of Africa Golf & Residential Estate, confirming what promises to be an exciting joint venture.**
