Eye of Africa Golf & Residential Estate is one of South Africa's most prestigious masterplanned residential communities, designed to provide family orientated living like no other.

Situated a short distance from the R59, R550 Heidelberg exit, the inspirational homes and world-class facilities coupled with an 18 hole championship golf course, state-of-the-art security system and extensive parkland make Eye of Africa the perfect place to live. Call now or visit the onsite sales office for more information on owning your dream home within this superb estate. Available stands boast picturesque views of the magnificent golf course and surrounding Highveld landscape.
